* The colour and homogeneity of the Reysipur® core may vary from one production batch to another and within the same batch. In the fire-retardant version, the Reysipur® core has a different tone to the standard. These variations are inherent to the industrial process and in no way affect the technical performance of the product.
** LRV : Light Reflectance Value

(1) Available in another finish (not FA, check infoGuide)
(2) Acrylic panels
